One-Time-Password

Important:

- The One-Time Password will work for 5 minutes. If you do not use it within 5 minutes you will need to enter your email address and password again.
- Do not close or navigate away from the Homefinder Somerset website to get the One-Time Password from your email
- A new One-Time Password is needed each time you login

How to open your email without closing or navigating away from the Homefinder Somerset website:

If you are using a laptop:

- Open a new tab by clicking the + sign at the top of the screen. Open your email account on the new tab. When you have your One-Time Password click on the tab with the Homefinder Somerset website

If you are using a mobile phone use one of the 3 options below:

Either: Open your Email App if you use that to access your emails. When you have your One-Time Password switch back to the Homefinder Somerset website.

Or: Open a new tab. For example, in Google click the 3 buttons shown below

Then select New Tab and login to your emails on the new tab

When you have your One-Time Password, switch back to the Homefinder Somerset website by clicking the icon with the number of tabs shown below

Then click the tab with the Homefinder Somerset website and enter your One-Time Password

Or: Use a different internet browser. For example, if you have the Homefinder Somerset website on Google, open another internet browser (e.g. Safari, Samsung Internet etc.) to access your emails. When you have your One-Time Password switch back to the Homefinder Somerset website
